Calling All Researchers, Practitioners, and Innovators

Mark your calendars for the 10th International Conference on Computing and Communication Innovation (ICCCI) in Bristol, UK, from September 2024. ICCCI 2024 is the premier forum for exchanging groundbreaking research, showcasing cutting-edge innovations, and exploring the future of computing and communication.

Explore the Cutting-Edge of Research and Innovation

ICCCI 2024 will bring together leading minds from academia, industry, and government to present their latest findings and insights. The conference will cover a wide range of topics, including:

- Artificial Intelligence and Machine Learning
- Blockchain and Distributed Ledger Technologies
- Cloud Computing and Edge Computing
- Cybersecurity and Information Security
- Data Science and Analytics
- Internet of Things and Sensor Networks

- Mobile Computing and Wireless Communications
- Network Science and Social Computing
- Software Engineering and Software Quality

Discover Practical Applications and Real-World Impact

Beyond presenting cutting-edge research, ICCCI 2024 will also showcase practical applications and the real-world impact of computing and communication technologies. Attendees will have the opportunity to learn from experts in various industries who are driving innovation and shaping the future.

Network with Leading Experts and Build Collaborations

ICCCI 2024 provides an exceptional platform for networking with leading researchers, practitioners, and innovators from around the world. Engage in thought-provoking discussions, establish new collaborations, and explore potential partnerships.

Excellent Opportunities for Career Advancement

For early-career researchers and professionals, ICCCI 2024 offers valuable opportunities to present your work, receive feedback from experts, and advance your career. The conference also awards prizes for outstanding research papers.

Experience the Vibrant City of Bristol

ICCCI 2024 will be held in the beautiful and historic city of Bristol, UK. Bristol is known for its thriving arts and culture scene, stunning architecture,

and vibrant nightlife. Attendees will have the chance to explore this charming city and enjoy all it has to offer.

Registration and Important Dates

Early registration for ICCCI 2024 is now open. Please visit the conference website at www.iccci2024.org for detailed information about registration, submission guidelines, and important dates.

Join the Global Community of Computing and Communication Innovators

ICCCI 2024 is the ultimate destination for researchers, practitioners, and innovators who are passionate about advancing the frontiers of computing and communication. Join us in Bristol, UK, in September 2024, for an unforgettable experience that will shape your career and contribute to the future of technology.
