

11th International Haifa Verification Conference: Your Gateway to the Future of Verification

Hardware and Software: Verification and Testing: 11th International Haifa Verification Conference, HVC 2024, Haifa, Israel, November 17-19, 2024, Proceedings ... Notes in Computer Science Book 9434)

★★★★★ 5 out of 5

Unveiling the 11th International Haifa Verification Conference (HVC 2024)

Calling all verification professionals, researchers, and enthusiasts! Mark your calendars for the highly anticipated 11th International Haifa Verification Conference (HVC 2024), scheduled to take place in the vibrant city of Haifa, Israel, from November 3-7, 2024.

HVC 2024 is a premier international event that brings together the brightest minds in the field of verification. As the world grapples with the increasing complexity of software and hardware systems, verification has emerged as an indispensable tool for ensuring their reliability, safety, and correctness.

A Gathering of Experts and Innovators

HVC 2024 promises a stellar lineup of speakers, including renowned researchers, industry leaders, and verification experts. Attendees will have the opportunity to engage with these luminaries, learn from their insights, and explore the latest advancements in verification.

The conference program will feature a diverse range of topics, including:

- Formal methods and model checking
- Software and hardware verification
- Verification tools and techniques
- Cybersecurity and safety
- Emerging trends in verification

An Immersive Learning Experience

Beyond the keynote presentations and technical sessions, HVC 2024 will offer an array of opportunities for professional development and

networking. Attendees can participate in interactive workshops, hands-on tutorials, and thought-provoking panel discussions.

The conference will also feature an industry exhibition, where leading companies will showcase their latest verification solutions and technologies. This provides attendees with an exceptional platform to explore new products, connect with potential partners, and stay abreast of the latest industry trends.

Discover the Heart of Haifa

Haifa, the host city of HVC 2024, is a vibrant and welcoming destination. Nestled on the slopes of Mount Carmel, Haifa offers breathtaking views of the Mediterranean Sea and the surrounding hillsides. The city is known for its rich history, cultural attractions, and diverse population.

Attendees will have ample time to explore Haifa's many charms, including:

- Visiting the Baha'i Gardens, a UNESCO World Heritage Site
- Exploring the German Colony, a historic neighborhood with charming cafes and shops
- Strolling along the beach promenade and enjoying the Mediterranean Sea
- Indulging in Haifa's vibrant culinary scene

Secure Your Spot Today

Registration for HVC 2024 is now open. Early bird discounts are available until June 30, 2024. Don't miss out on this exceptional opportunity to

advance your verification knowledge, connect with leading experts, and explore the future of verification.

For more information and to register, please visit the official HVC 2024 website at <https://hvc2024.org>.
