# 13th IFIP WG 10 International Conference on Networked and Pervasive Computing (NPC 2024): Shaping the Future of Networked and Pervasive Computing

Conference Overview

The 13th IFIP WG 10 International Conference on Networked and Pervasive Computing (NPC 2024) will be held in Xi'an, China, from October 28 to 29, 2024. The conference will bring together leading researchers, industry professionals, and policymakers to discuss the latest advances in networked and pervasive computing.

Networked and pervasive computing is a rapidly growing field that is transforming the way we live, work, and interact with the world around us. From the Internet of Things (IoT) to cyber-physical systems, smart cities to

mobile computing, networked and pervasive computing is having a profound impact on our society.

The NPC 2024 conference will provide a forum for the exchange of ideas and the dissemination of the latest research results in networked and pervasive computing. The conference will feature a mix of invited talks, technical papers, and panel discussions on a wide range of topics, including:

- The Internet of Things (IoT)

- Cyber-physical systems

- Smart cities

- Mobile computing

- Cloud computing

- Big data

- Security

- Privacy

The NPC 2024 conference is an ideal opportunity to learn about the latest advances in networked and pervasive computing, and to network with leading researchers and industry professionals in the field.

Important Dates

- Paper submission deadline: March 15, 2024

- Notification of acceptance: June 15, 2024

- Camera-ready papers due: July 15, 2024

- Conference dates: October 28-29, 2024

Submission Guidelines

Authors are invited to submit original research papers in all areas of networked and pervasive computing. Submissions should be no more than 8 pages in length, and must be formatted according to the IFIP WG 10 conference proceedings template.

All submissions will be peer-reviewed by a team of experts in the field. Papers that are accepted for presentation at the conference will be published in the IFIP WG 10 conference proceedings.

Registration

Registration for the NPC 2024 conference will open in June 2024. The registration fee will include access to all conference sessions, as well as the conference proceedings.

Accommodation

A block of rooms has been reserved at a discounted rate for conference attendees at the Hilton Xi'an. To book your room, please visit the conference website.
