AIMI 2024 is a leading international conference in the field of applied informatics. The conference covers a wide range of topics, including but not limited to:

- Artificial intelligence
- Big data

- Cloud computing
- Cybersecurity
- Data mining
- E-commerce
- Healthcare informatics
- Information retrieval
- Machine learning
- Mobile computing
- Natural language processing
- Security
- Software engineering
- Web services

AIMI 2024 will feature a keynote address by a leading researcher in the field of applied informatics. The conference will also include a number of technical sessions, workshops, and tutorials. The conference proceedings will be published by Springer in the Lecture Notes in Computer Science series.

AIMI 2024 is an excellent opportunity for researchers and practitioners in the field of applied informatics to network with colleagues from around the world and to learn about the latest advances in the field.

### **Important Dates**

- Paper submission deadline: April 1, 2024
- Notification of acceptance: June 1, 2024
- Camera-ready paper submission deadline: July 1, 2024
- Conference dates: August 1-3, 2024

## **Submission Guidelines**

Authors are invited to submit original research papers of up to 8 pages in length. Papers must be formatted according to the Springer LNCS guidelines. Papers will be peer-reviewed by a team of international experts.

## **Registration**

Registration for AIMI 2024 will open in March 2024. Early registration discounts are available.

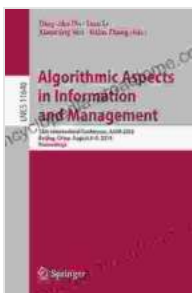

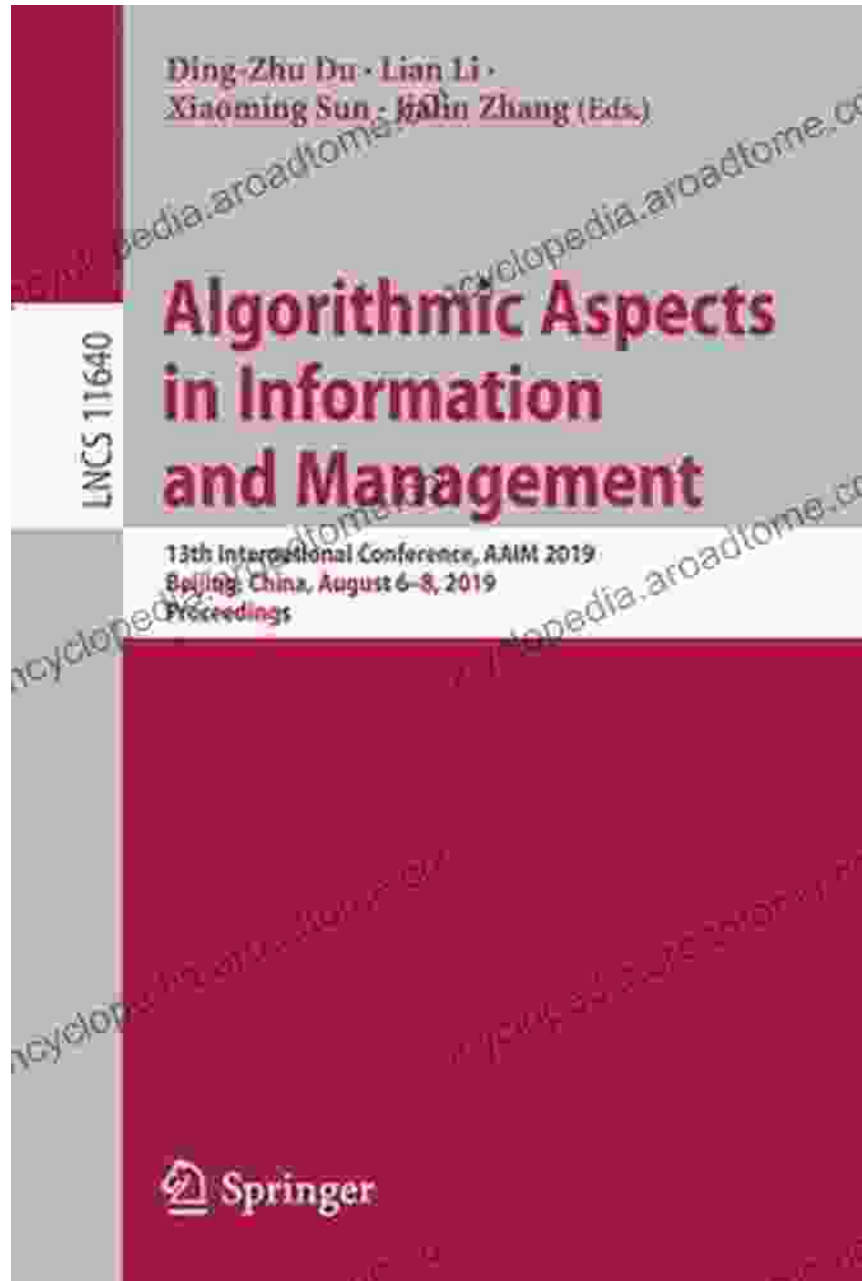

## **Contact**

For more information, please contact the AIMI 2024 Organizing Committee at [aimi2024@easychair.org](mailto:aimi2024@easychair.org).

## **Sponsors**

AIMI 2024 is sponsored by the following organizations:

- Beijing Institute of Technology
- Chinese Academy of Sciences
- IEEE Computer Society
- Springer
