The 14th Asia Information Retrieval Societies Conference (AIRS 2024) will be held in Taipei, Taiwan, from June 24-27, 2024. The conference will bring together researchers and practitioners from all over the world to discuss the latest advances in information retrieval.

AIRS is a biennial conference that provides a forum for the exchange of ideas and information on all aspects of information retrieval. The conference covers a wide range of topics, including:

- Text retrieval
- Image retrieval

- Audio retrieval
- Video retrieval
- Cross-modal retrieval
- Multilingual retrieval
- Web search
- Social media retrieval
- Mobile search
- User interaction
- Evaluation of information retrieval systems

AIRS 2024 will feature a keynote address by Professor X, a leading researcher in the field of information retrieval. The conference will also include a number of workshops and tutorials on a variety of topics related to information retrieval.

The deadline for submission of papers is March 15, 2024. Papers should be submitted electronically via the conference website.
