WiMob 2024 will provide a forum for the exchange of ideas and the presentation of new research results in all areas of wireless and mobile

computing, networking, and communications. The conference will include keynote speeches by leading experts in the field, as well as technical sessions, workshops, and tutorials.

The topics of interest for WiMob 2024 include, but are not limited to:

- Wireless and mobile computing
- Networking and communications
- Mobile applications
- Cloud computing
- Big data
- Internet of things
- Cybersecurity
- 5G and beyond

WiMob 2024 is a premier international conference that provides a unique opportunity for researchers, engineers, and practitioners to share their latest findings and insights in the field of wireless and mobile computing, networking, and communications. The conference will be held in the beautiful city of Thessaloniki, Greece, which is a major center of culture and commerce.

Important dates

- Paper submission deadline: January 15, 2024
- Notification of acceptance: March 15, 2024

- Camera-ready paper submission deadline: April 15, 2024
- Conference dates: May 25-27, 2024
