

15th IFIP TC8 International Conference CISIM 2024: Shaping the Future of Human-Machine Interaction

Unveiling the Frontier of Human-Machine Interconnection

The 15th IFIP TC8 International Conference on Computer and Information Science (CISIM 2024) is an esteemed gathering of scholars, practitioners, and industry leaders in the burgeoning field of human-machine interaction (HCI). This prestigious event, hosted in the vibrant city of Vilnius, Lithuania, from September 2024, will serve as a platform for groundbreaking research and thought-provoking discussions on the future of human-machine interconnectedness.

Computer Information Systems and Industrial Management: 15th IFIP TC8 International Conference, CISIM 2024, Vilnius, Lithuania, September 14-16, 2024, ... Notes in Computer Science Book 9842)

Bridging the Gap: From Concept to Reality

The conference theme, "Shaping the Future of Human-Machine Interaction," reflects the pivotal role that HCI plays in bridging the gap between humans and machines. CISIM 2024 will delve into the latest advancements in HCI, including:

* Artificial Intelligence and Machine Learning * User Experience Design * Human Factors Engineering * Social and Ethical Implications

Keynotes by Visionary Thought Leaders

Attendees will have the privilege of hearing from renowned keynote speakers who are shaping the HCI landscape. These visionaries will provide thought-provoking insights into the future of human-machine interaction, exploring topics such as:

* The Convergence of AI and HCI * The Role of HCI in Social and Economic Change * The Ethical Implications of HCI

A Hub for Research, Innovation, and Collaboration

CISIM 2024 is not just a conference; it's a vibrant hub where researchers, practitioners, and industry experts come together to share knowledge, foster collaboration, and inspire innovation. The conference features:

* Research paper presentations and poster sessions * Panel discussions and workshops * Networking opportunities with industry leaders * Visits to leading HCI research labs

Explore the Heart of Vilnius

Vilnius, the charming capital of Lithuania, offers a unique blend of historic charm and modern vibrancy. CISIM 2024 attendees will have the

opportunity to explore the city's cobblestone streets, visit its ancient castles, and immerse themselves in its rich cultural heritage.

Secure Your Seat at the Frontier

Registration for CISIM 2024 opens in early 2024. Don't miss this exceptional opportunity to shape the future of human-machine interaction. Register today and join us in Vilnius, Lithuania, for an unforgettable experience.

Visit the conference website at www.cisim2024.org for more information and updates.

Witness the Evolution of HCI

The 15th IFIP TC8 International Conference CISIM 2024 promises an unparalleled exploration of the future of human-machine interaction. By attending, you'll gain invaluable insights, forge new connections, and contribute to the advancement of HCI.

Join us in Vilnius, Lithuania, and be part of the groundbreaking journey that will shape the future of our interaction with technology.
