Print length : 202 pages

The conference will bring together researchers, practitioners, and students from around the world to share their latest research findings and experiences in all aspects of systems research, informatics, and applications.

The conference will feature a variety of keynote speakers, invited sessions, and paper presentations.

The keynote speakers will be:

- Dr. David Culler, University of California, Berkeley
- Dr. Fei-Yue Wang, Tsinghua University
- Dr. Mary Shaw, Carnegie Mellon University

The invited sessions will cover a wide range of topics, including:

- Big data and analytics
- Cloud computing
- Cybersecurity
- Data mining
- Machine learning
- Natural language processing
- Software engineering
- Systems biology

The paper presentations will cover all aspects of systems research, informatics, and applications.

The conference will be held at the Madrid Marriott Auditorium Hotel & Conference Center.

For more information about the conference, please visit the conference website.

## **Important Dates**

- Paper submission deadline: January 15, 2024
- Notification of acceptance: March 15, 2024
- Camera-ready paper submission deadline: April 15, 2024
- Conference dates: May 21-23, 2024
