

17th International Workshop Iwcia 2024 Kolkata India November 24-27 2024

The 17th International Workshop on Intelligent Computing Applications (IWCIA 2024) will be held in Kolkata, India, from November 24th to 27th, 2024. The workshop will provide a forum for researchers, practitioners, and students to present and discuss the latest research findings, ideas, and applications in the field of intelligent computing.

Combinatorial Image Analysis: 17th International Workshop, IWCIA 2024, Kolkata, India, November 24-27, 2024. Proceedings (Lecture Notes in Computer Science Book 9448)

Language : English
File size : 25324 KB
Text-to-Speech : Enabled
Screen Reader : Supported
Enhanced typesetting : Enabled
Print length : 635 pages

The workshop will cover a wide range of topics, including:

- Artificial intelligence
- Machine learning
- Deep learning

- Data mining
- Big data
- Cloud computing
- IoT
- Blockchain

The workshop will feature keynote speeches by leading researchers in the field of intelligent computing. There will also be a number of technical sessions, where participants will present their research findings. In addition, there will be a number of social events, which will provide participants with an opportunity to network with each other.

The workshop is organized by the International Workshop on Intelligent Computing Applications (IWCIA) Steering Committee. The IWCIA Steering Committee is a group of leading researchers in the field of intelligent computing. The committee is responsible for planning and organizing the IWCIA workshop series.

The IWCIA 2024 workshop is an important event for researchers, practitioners, and students in the field of intelligent computing. The workshop will provide a unique opportunity to learn about the latest research findings, ideas, and applications in the field. The workshop will also provide a forum for participants to network with each other and to discuss the future of intelligent computing.

Important Dates

- Paper submission deadline: May 31, 2024

- Notification of acceptance: July 15, 2024
- Camera-ready paper submission deadline: August 31, 2024
- Workshop dates: November 24-27, 2024

Submission Guidelines

Authors are invited to submit original research papers that have not been previously published or submitted for publication elsewhere. Papers should be submitted in the IEEE Xplore compatible format. The paper should be no more than 6 pages in length. The paper should include an abstract, related work, proposed method, results, and .

Registration

The registration fee for the workshop is \$300. The registration fee includes access to all workshop sessions, keynote speeches, and social events. The registration fee also includes a copy of the workshop proceedings.

Contact Information

For more information about the workshop, please contact the workshop organizers at iwcia2024@gmail.com.
