

# 21st International Conference Evoapplications 2024 Parma Italy April 2024

## About the Conference

The 21st International Conference on Evolutionary Computation in Combinatorial Optimization (EvoApplications 2024) will be held in Parma, Italy, from April 8th to 10th, 2024. The conference will bring together researchers and practitioners from academia and industry to share their latest research on the application of evolutionary computation to combinatorial optimization problems.

EvoApplications 2024 will feature a keynote address by Professor Carlos Coello Coello from the University of Guanajuato, Mexico. Professor Coello Coello is a leading researcher in the field of evolutionary computation, and his work has had a major impact on the development of new algorithms for solving complex optimization problems.

## Applications of Evolutionary Computation: 21st International Conference, EvoApplications 2024, Parma, Italy, April 4-6, 2024, Proceedings (Lecture Notes in Computer Science Book 10784)

In addition to the keynote address, EvoApplications 2024 will include a variety of technical sessions, workshops, and tutorials. The technical sessions will cover a wide range of topics in evolutionary computation, including:

- Algorithm design and analysis
- Applications to real-world problems
- Hybrid and memetic algorithms
- Multi-objective optimization
- Parallel and distributed algorithms
- Theoretical foundations of evolutionary computation

The workshops and tutorials will provide participants with an opportunity to learn about new developments in evolutionary computation and to interact with leading researchers in the field.

## **Call for Papers**

EvoApplications 2024 invites the submission of original research papers on all aspects of evolutionary computation in combinatorial optimization. Papers should be submitted electronically through the conference website by January 15th, 2024. All submitted papers will be peer-reviewed by a team of international experts.

## **Important Dates**

- January 15th, 2024: Paper submission deadline
- March 1st, 2024: Notification of acceptance

- April 8th-10th, 2024: Conference dates

## **Venue**

EvoApplications 2024 will be held at the University of Parma, in Parma, Italy. Parma is a beautiful city located in the Emilia-Romagna region of Italy. The city is home to a number of historical and cultural attractions, including the Parma Cathedral, the Palazzo della Pilotta, and the Teatro Regio di Parma.

## **Accommodation**

A variety of accommodation options are available in Parma. Participants are encouraged to book their accommodation early, as Parma is a popular tourist destination.

## **Registration**

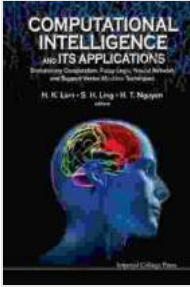

Registration for EvoApplications 2024 will open in January 2024. The registration fee will include access to all conference sessions, workshops, and tutorials, as well as a welcome reception and banquet.

## **Contact**

For more information about EvoApplications 2024, please visit the conference website or contact the conference organizers at [evoapplications2024@unipr.it](mailto:evoapplications2024@unipr.it).
