ICONIP 2024 will feature a comprehensive program of keynote speeches, invited talks, oral presentations, and poster sessions. The conference will also host a number of special events, including workshops, tutorials, and industry exhibitions.

Istanbul is a vibrant and cosmopolitan city that is rapidly emerging as a global hub for artificial intelligence (AI). The city is home to a number of leading AI research institutions and companies, and it is also a major center for technology investment. ICONIP 2024 will provide a unique opportunity to learn about the latest advances in AI and to network with other AI professionals from around the world.

## **Conference Topics**

ICONIP 2024 will cover a wide range of topics in neural information processing, including:

- Machine learning
- Artificial intelligence
- Deep learning
- Computer vision
- Natural language processing
- Speech recognition
- Data mining
- Pattern recognition
- Bioinformatics

## **Important Dates**

The important dates for ICONIP 2024 are as follows:

- **Paper submission deadline:** March 15, 2024

- **Notification of acceptance:** June 1, 2024
- **Camera-ready paper submission deadline:** July 15, 2024
- **Early registration deadline:** September 15, 2024
- **Conference dates:** November 12-14, 2024

## **Submission Guidelines**

Authors are invited to submit original research papers that have not been previously published or submitted for publication elsewhere. Papers should be no more than 8 pages in length and must be formatted according to the Springer LNCS guidelines. Papers should be submitted electronically via the EasyChair submission system.

## **Registration**

Registration for ICONIP 2024 will open in early 2024. Early registration rates will be available until September 15, 2024. Registration fees include access to all conference sessions, materials, and social events.

## **Contact Information**
