

23rd International Conference on DNA - Austin, TX, USA - September 24-28, 2024

About the Conference

The 23rd International Conference on DNA will be held in Austin, TX, USA, from September 24-28, 2024. The conference will bring together leading scientists from around the world to discuss the latest advances in DNA research.

DNA Computing and Molecular Programming: 23rd International Conference, DNA 23, Austin, TX, USA, September 24–28, 2024, Proceedings (Lecture Notes in Computer Science Book 10467)

★★★★★ 5 out of 5

Language : English
File size : 13082 KB
Text-to-Speech : Enabled
Screen Reader : Supported
Enhanced typesetting : Enabled
Print length : 278 pages

The conference will feature a variety of sessions, including:

- Plenary lectures by world-renowned scientists
- Symposia on cutting-edge topics in DNA research
- Poster sessions featuring the latest research from students and early-career scientists

The conference will also provide opportunities for networking and collaboration with other scientists in the field.

Important Dates

- **Abstract submission deadline:** March 15, 2024
- **Registration deadline:** June 1, 2024
- **Conference dates:** September 24-28, 2024

Registration

Registration for the conference is now open. Early bird rates are available until June 1, 2024.

To register for the conference, please visit the following website:

<https://www.dna23.org>

Accommodation

A block of rooms has been reserved at the Hilton Austin Downtown for conference attendees. To book a room, please call the hotel directly and mention the DNA23 conference.

Transportation

Austin-Bergstrom International Airport (ABIA) is the closest airport to the conference venue. The airport is located approximately 10 miles from downtown Austin.

There are a variety of transportation options available from the airport to downtown Austin, including taxis, ride-sharing services, and public

transportation.

Things to Do in Austin

Austin is a vibrant city with a lot to offer visitors. In addition to the conference, there are many other things to see and do in Austin, including:

- Visiting the Texas State Capitol
- Exploring the Zilker Botanical Garden
- Taking a boat tour of Lady Bird Lake
- Listening to live music at a local honky-tonk
- Enjoying the city's many restaurants and bars

We hope you will join us for the 23rd International Conference on DNA in Austin, TX, USA, from September 24-28, 2024.
