

34th International Conference ER 2024 Stockholm Sweden October 19-22 2024

Conference Overview

The 34th International Conference on Conceptual Modeling (ER 2024) will be held in Stockholm, Sweden, from October 19-22, 2024. The conference will bring together researchers and practitioners from all over the world to discuss the latest advances in conceptual modeling.

Conceptual modeling is a fundamental discipline in computer science and information systems. It provides the foundation for understanding, designing, and implementing complex systems. ER 2024 will provide a forum for sharing new research results, exchanging ideas, and discussing the future of conceptual modeling.
