

# 37th SGA International Conference on Artificial Intelligence (AI 2024) Cambridge

## About the Conference

The 37th SGA International Conference on Artificial Intelligence (AI 2024) will be held in Cambridge, UK, from September 16-18, 2024. The conference will bring together leading researchers and practitioners from academia, industry, and government to share their latest research and insights on all aspects of AI.

## Artificial Intelligence XXXIV: 37th SGA International Conference on Artificial Intelligence, AI 2024, Cambridge, UK, December 12-14, 2024, Proceedings (Lecture Notes in Computer Science Book 10630)

★★★★☆ 4 out of 5

Language : English

Print length : 444 pages

The conference will feature a mix of invited talks, oral presentations, and poster sessions. There will also be a number of special events, including a keynote address by a leading AI researcher, a panel discussion on the future of AI, and a workshop on the ethics of AI.

## Call for Papers

The conference is soliciting submissions of original research papers on all aspects of AI. Topics of interest include, but are not limited to:

- Machine learning
- Deep learning
- Computer vision
- Natural language processing
- Robotics
- AI applications
- AI ethics

Submissions should be no more than 10 pages in length, and must be formatted according to the conference style guidelines. Papers will be peer-reviewed by a team of experts, and accepted papers will be published in the conference proceedings.

### **Important Dates**

- Paper submission deadline: March 15, 2024
- Notification of acceptance: June 15, 2024
- Camera-ready paper submission deadline: July 15, 2024
- Conference dates: September 16-18, 2024

### **Registration**

Registration for the conference is now open. The registration fee includes access to all conference sessions, materials, and events. Early bird

registration rates are available until June 15, 2024.

To register for the conference, please visit the conference website.

## **Venue**

The conference will be held at the Cambridge University Conference Centre, which is located in the heart of Cambridge, UK. The conference centre is a modern and well-equipped facility, with state-of-the-art meeting rooms and lecture halls.

Cambridge is a vibrant and historic city, with a rich culture and a thriving academic community. The city is home to the University of Cambridge, which is one of the world's leading universities. Cambridge is also home to a number of other world-renowned institutions, including the Cambridge Science Park, the Babraham Institute, and the Wellcome Sanger Institute.

## **Accommodation**

A number of hotels are located near the conference venue. Attendees are encouraged to book their accommodation early, as Cambridge is a popular tourist destination.

## **Contact Us**

For more information about the conference, please contact the conference organizers at [info@ai2024.org](mailto:info@ai2024.org).
