

9th Asia Pacific Services Computing Conference (APSCC 2024)

Shaping the Future of Computing in Bangkok, Thailand

The 9th Asia Pacific Services Computing Conference (APSCC 2024) will be held in Bangkok, Thailand, from March 11-14, 2024. The conference will bring together researchers, practitioners, and industry leaders from around the world to discuss the latest advancements and trends in services computing.

Advances in Services Computing: 9th Asia-Pacific Services Computing Conference, APSCC 2024, Bangkok, Thailand, December 7-9, 2024, Proceedings (Lecture Notes in Computer Science Book 9464)

Services computing is a rapidly growing field that is transforming the way we interact with technology. Services computing allows us to access applications and data from anywhere in the world, on any device. This has led to a number of new possibilities, such as cloud computing, big data, and the Internet of Things (IoT).

APSCC 2024 will provide a forum for researchers and practitioners to share their latest work in services computing. The conference will also feature keynote speeches from leading experts in the field, as well as workshops and tutorials on a variety of topics.

The conference is expected to attract over 500 attendees from around the world. It will be a great opportunity to learn about the latest advancements in services computing and to network with other researchers and practitioners in the field.

Important Dates

- Paper submission deadline: October 15, 2023
- Notification of acceptance: December 15, 2023
- Camera-ready paper submission deadline: January 15, 2024
- Conference dates: March 11-14, 2024

Topics of Interest

APSCC 2024 will cover a wide range of topics related to services computing, including:

- Cloud computing
- Big data
- Internet of Things (IoT)
- Artificial intelligence (AI)
- Machine learning

- Service-oriented architecture (SOA)
- Web services
- Microservices
- Service composition
- Service management
- Service security

Submission Guidelines

Papers submitted to APSCC 2024 should be original and unpublished, and should not exceed 8 pages in length. Papers should be submitted in PDF format via the conference website.

Venue

APSCC 2024 will be held at the Centara Grand at CentralWorld in Bangkok, Thailand.

Accommodation

A number of hotels are located near the conference venue. Attendees can book their accommodation through the conference website.

Transportation

Bangkok is a major international hub, and is easily accessible by air, land, and sea. Attendees can find information on transportation options to and from Bangkok on the conference website.

Visa Information

Citizens of most countries do not need a visa to enter Thailand for a period of up to 30 days. However, attendees are advised to check the visa requirements for their country of origin before traveling to Thailand.

Contact Information

For more information about APSCC 2024, please visit the conference website or contact the conference organizers at ap
