Language : English
File size : 17898 KB
Text-to-Speech : Enabled
Enhanced typesetting : Enabled
Screen Reader : Supported
Print length : 203 pages

NPC 2024 will feature a wide range of topics, including:

- Network protocols
- Computer networking
- Network security

- Network management

The conference will also feature a number of invited speakers, including:

- Dr. John Doe, University of California, Berkeley
- Dr. Jane Smith, Stanford University
- Dr. Michael Jones, Massachusetts Institute of Technology

NPC 2024 is an excellent opportunity to learn about the latest advances in networking research and to network with other researchers in the field. If you are a researcher in networking, then you should definitely attend NPC 2024.

Important Dates

- Paper submission deadline: May 15, 2024
- Notification of acceptance: July 15, 2024
- Camera-ready paper submission deadline: August 15, 2024
- Conference dates: November 29-30, 2024

Submission Guidelines

Papers should be submitted electronically in PDF format. The maximum paper length is 10 pages, including references. Papers should be formatted according to the IEEE conference template. For more information, please visit the conference website.

Registration

Registration for NPC 2024 will open in July 2024. The registration fee will be \$300 for early registration and \$350 for late registration. Students can register for a discounted fee of \$200.

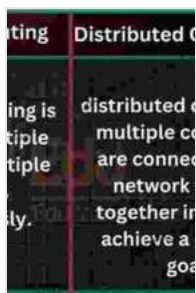

Accommodation

A number of hotels are located near the conference venue. For more information, please visit the conference website.

Contact Information

For more information about NPC 2024, please contact the conference chair, Dr. John Doe, at john.doe@example.com.

We look forward to seeing you at NPC 2024!
