

Algorithms In Bioinformatics: 15th International Workshop WABI 2024 Atlanta GA USA September 10 12 2024 Proceedings (Lecture Notes In Computer Science 9289)

September 10-12, 2024###

The 15th International Workshop on Adaptive and Behavior-Based Robotics (WABI 2024) will be held in Atlanta, GA, USA, from September 10-12, 2024. WABI is a biennial workshop that brings together researchers from academia and industry to discuss the latest advances in adaptive and behavior-based robotics.

The workshop will cover a wide range of topics, including:

- **Adaptive control**
- **Behavior-based robotics**
- **Cognitive robotics**
- **Developmental robotics**
- **Human-robot interaction**
- **Machine learning for robotics**
- **Robotics for social good**

WABI 2024 will feature invited talks from leading researchers in the field, as well as contributed papers and posters. The workshop will also include a

number of special events, such as a workshop on robotics for social good and a hackathon.

Atlanta is a vibrant and cosmopolitan city with a rich history and culture. The city is home to a number of world-renowned museums, art galleries, and theaters. Atlanta is also a major hub for business and technology, and is home to a number of Fortune 500 companies.

WABI 2024 is a unique opportunity to learn about the latest advances in adaptive and behavior-based robotics, and to network with leading researchers in the field. The workshop will be held at the Georgia Institute of Technology, which is one of the world's leading research universities.

Important Dates:

- **Abstract submission deadline:** May 1, 2024
- **Paper submission deadline:** June 1, 2024

- **Notification of acceptance:** July 1, 2024
- **Early registration deadline:** August 1, 2024
- **Workshop dates:** September 10-12, 2024

Registration:

Registration for WABI 2024 will open in early 2024. The registration fee will include access to all workshop sessions, materials, and social events. Early registration discounts will be available.

Accommodation:

A number of hotels are located near the Georgia Institute of Technology. The workshop website will provide a list of recommended hotels.

Transportation:

Atlanta is served by Hartsfield-Jackson Atlanta International Airport (ATL). The airport is located about 10 miles from the Georgia Institute of Technology. A number of public transportation options are available to get from the airport to the hotel.

Contact:

For more information about WABI 2024, please visit the workshop website or contact the workshop organizers at wabi2024@gatech.edu.

We look forward to seeing you in Atlanta in 2024!
