Art in Community: The Provisional Citizen is a book that explores the role of art in fostering community and creating a sense of belonging. The book features essays by leading artists, curators, and scholars who discuss how art can be used to address social issues, build bridges between cultures, and create a more just and equitable world.

The book's title, *The Provisional Citizen*, refers to the idea that we are all provisional citizens of the world. We are all born into different circumstances, and we all have different experiences and perspectives. But we are all connected by our shared humanity. Art can help us to recognize our commonalities and to build bridges between our differences.

The essays in *Art in Community* explore a wide range of topics, including the role of art in:

- Fostering social justice
- Building bridges between cultures
- Creating a sense of place
- Inspiring civic engagement
- Healing trauma

The book is a valuable resource for anyone interested in the power of art to make a positive impact on the world. It is a must-read for artists, curators, scholars, and anyone who believes in the power of art to change lives.

Essays by leading artists, curators, and scholars

Art in Community: The Provisional Citizen features essays by a diverse group of leading artists, curators, and scholars. These essays provide a wide range of perspectives on the role of art in community.

Some of the contributors to the book include:

- Theaster Gates, artist and founder of the Rebuild Foundation
- María Bécerra, curator and director of the Museo de Arte de Puerto Rico
- Coco Fusco, artist and writer
- Judith Butler, philosopher and gender theorist
- bell hooks, feminist writer and activist

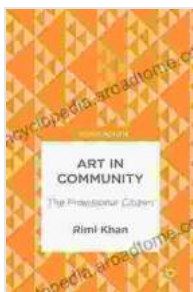

These essays offer a rich and nuanced understanding of the role of art in community. They provide a valuable resource for anyone interested in the power of art to make a positive impact on the world.
