

Delve into the Labyrinth of Knowledge: 22nd International Conference on Conceptual Structures (ICCS 2024)

Get ready to unravel the mysteries of human cognition and push the boundaries of artificial intelligence at the upcoming 22nd International Conference on Conceptual Structures (ICCS 2024).

Graph-Based Representation and Reasoning: 22nd International Conference on Conceptual Structures, ICCS 2024, Annecy, France, July 5-7, 2024, Proceedings (Lecture Notes in Computer Science Book 9717)

Taking place from July 1st to July 5th, 2024, in the breathtaking city of Annecy, France, ICCS 2024 will be a vibrant hub for researchers, practitioners, and enthusiasts from diverse fields, including:

- Computer Science
- Artificial Intelligence
- Cognitive Science

- Linguistics
- Philosophy

Unveiling the Essence of Knowledge Representation

ICCS 2024 will delve into the very essence of knowledge representation, exploring the foundational concepts that underpin our understanding of the world. This conference will present cutting-edge research on topics such as:

- Formal concept analysis
- Ontologies and semantic web
- Cognitive modeling
- Knowledge acquisition and machine learning
- Applications in healthcare, education, and industry

A Tapestry of Keynote Speakers and Workshops

ICCS 2024 will feature an impressive lineup of keynote speakers and workshops by renowned experts in the field. These thought leaders will share their insights on the latest advancements and challenges in conceptual structures, inspiring attendees with their groundbreaking ideas.

Annecy: A Picture-Perfect Setting for Knowledge Exploration

The conference will be held in the picturesque city of Annecy, located in the heart of the French Alps. Known for its stunning turquoise lake, charming canals, and cobbled streets, Annecy provides an enchanting backdrop for this intellectual gathering.

Call for Submissions

We invite you to submit your original research papers, posters, and demonstrations on all aspects of conceptual structures. Submissions will undergo a rigorous peer-review process to ensure the highest quality of content.

The deadline for submissions is March 15th, 2024.

Register Today and Join the Community

Don't miss this exceptional opportunity to connect with fellow researchers, exchange ideas, and shape the future of knowledge representation. Register for ICCS 2024 today and embark on a journey that will transform your understanding of human cognition.

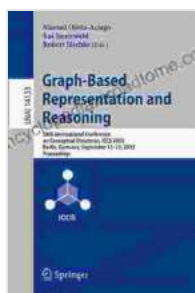

Visit our website for further details and updates: www.iccs2024.org
