- Firefighters
- Fire investigators
- Fire protection engineers
- Fire safety managers
- Building code officials
- Insurance professionals
- Researchers
- Students

Benefits of attending

Attendees will benefit from the opportunity to:

- Learn about the latest advances in fire science and engineering
- Network with leading experts in the field
- Earn continuing education credits
- Visit the exhibition hall to see the latest products and services from the fire safety industry

Registration

Registration for the Fire 2024 International Workshop is now open. The early bird registration deadline is October 1, 2024. To register, please visit the workshop website.

Accommodations

A block of rooms has been reserved at the following hotels for workshop attendees:

- The Oberoi Grand Kolkata
- The Taj Bengal
- The ITC Sonar

To book a room, please contact the hotel directly and mention the Fire 2024 International Workshop.

Transportation

Kolkata is well-connected by air, rail, and road. The Netaji Subhas Chandra Bose International Airport is located approximately 17 kilometers from the city center. The Howrah Railway Station is located in the heart of the city and offers train service to all major cities in India. The Kolkata Metro is a convenient and affordable way to get around the city.

Visa information

Citizens of most countries do not need a visa to enter India for a stay of up to 30 days. However, citizens of some countries, including the United States, the United Kingdom, and Canada, are required to obtain a visa in advance. To apply for a visa, please visit the website of the Indian embassy or consulate in your country.
