December 15-16, 2024 | Mieres, Spain

Join us for the Fourth International Conference on Technologies and Applications of Artificial Intelligence (TPNC 2024) in the beautiful city of Mieres, Spain. This two-day conference will bring together leading researchers, industry experts, and policymakers to explore the latest advancements in AI and its real-world applications.

With a focus on cutting-edge topics such as machine learning, deep learning, natural language processing, and computer vision, TPNC 2024 will provide a platform for knowledge exchange, collaboration, and innovation. Attendees will have the opportunity to hear from renowned speakers, engage in thought-provoking discussions, and connect with professionals from around the world who are shaping the future of AI.
