

# International Conference on Life System Modeling and Simulation (LSMS 2024)

## About the Conference

The International Conference on Life System Modeling and Simulation (LSMS 2024) will be held in Tokyo, Japan, from July 15-17, 2024. The conference will bring together researchers from around the world to discuss the latest advances in life system modeling and simulation.

## Intelligent Computing, Networked Control, and Their Engineering Applications: International Conference on Life System Modeling and Simulation, LSMS 2024 ... Computer and Information Science Book 762)

Print length : 736 pages

Life system modeling and simulation is a rapidly growing field that is helping to advance our understanding of the complex systems that make up living organisms. By creating computer models of life systems, researchers can gain insights into how these systems function and how they can be affected by environmental changes.

LSMS 2024 will feature a wide range of topics, including:

- Modeling and simulation of biological systems
- Computational methods for life science
- Systems biology and network analysis
- Bioinformatics and genomics
- Medical and clinical applications of modeling and simulation

## **Call for Papers**

Researchers are invited to submit papers to LSMS 2024. Papers should be original and unpublished, and should be no more than 8 pages in length. The deadline for paper submission is March 15, 2024.

## **Important Dates**

- Paper submission deadline: March 15, 2024
- Notification of acceptance: May 15, 2024
- Camera-ready paper submission deadline: June 15, 2024
- Conference dates: July 15-17, 2024

## **Registration**

Registration for LSMS 2024 will open in March 2024. The registration fee will include access to all conference sessions, as well as a copy of the conference proceedings.

## **Contact**

For more information about LSMS 2024, please contact the conference secretariat at [lsms2024@conference.org](mailto:lsms2024@conference.org).
