Justice in Close Relationships: Critical Issues in Social Justice is a timely and important book that explores the complex and often overlooked intersections of social justice and intimate relationships. Edited by leading scholars in the field, the book brings together a diverse group of voices to offer a comprehensive and thought-provoking analysis of this critical topic.

The book is divided into four parts, each of which focuses on a different aspect of social justice in close relationships. The first part, "Conceptualizing Social Justice in Close Relationships," provides a theoretical framework for understanding the concept of social justice in this context. The second part, "Social Justice and Power Dynamics in Close Relationships," examines how power dynamics can shape and influence social justice in intimate relationships. The third part, "Social Justice and

"Marginalized Groups in Close Relationships," explores the experiences of marginalized groups, such as people of color, LGBTQ+ people, and people with disabilities, in intimate relationships. The fourth part, "Social Justice and Social Change in Close Relationships," discusses the role of close relationships in promoting social justice and social change.

## **Key Findings**

The book's key findings include:

\* Social justice is a complex and multifaceted concept that can be difficult to define and operationalize in the context of close relationships. \* Power dynamics play a significant role in shaping social justice in close relationships. \* Marginalized groups face unique challenges in achieving social justice in intimate relationships. \* Close relationships can play a positive role in promoting social justice and social change.

## **Implications for Practice and Policy**

The book's findings have important implications for practice and policy. For example, the book's findings suggest that:

\* Practitioners working with couples and families need to be aware of the ways in which social justice issues can impact intimate relationships. \* Policies that promote social justice can help to create more equitable and just intimate relationships. \* Education and awareness-raising campaigns can help to reduce the stigma associated with social justice issues and promote understanding and empathy.

Justice in Close Relationships: Critical Issues in Social Justice is a groundbreaking book that provides a comprehensive and thought-

provoking analysis of the intersections of social justice and intimate relationships. The book's findings have important implications for practice and policy, and they can help to promote more just and equitable intimate relationships for all.

## About the Editors

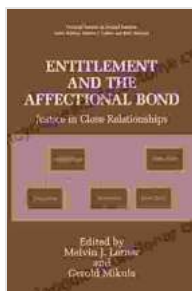

The book is edited by a team of leading scholars in the field of social justice and close relationships. The editors include:

\* Dr. Emily M. Bender, Professor of Sociology at the University of California, Los Angeles \* Dr. David S. Cohen, Professor of Family Studies and Social Work at the University of Michigan \* Dr. Jennifer L. Hamer, Professor of Psychology at the University of California, Berkeley

The editors have a wealth of experience in research and teaching on social justice and close relationships. They have published extensively in top academic journals and have received numerous awards for their work.
