Little Chimbu Ingo Blum is an extraordinary story of one man's journey into the heart of New Guinea. Born in Germany in 1938, Blum was fascinated by the island from an early age. He first visited in 1962, and over the next 50 years, he made numerous trips to the region.

Blum's travels took him to some of the most remote and inaccessible parts of New Guinea. He trekked through dense jungles, climbed towering mountains, and crossed treacherous rivers. He lived with different tribes, learned their languages, and documented their cultures. Blum's work has helped to shed light on one of the most unknown and misunderstood regions on Earth.

Little Chimbu Ingo Blum is a beautifully written and illustrated book. Blum's photographs are stunning, and his writing is both informative and engaging.

The book is a must-read for anyone interested in New Guinea, travel, adventure, or exploration.

About the Author

Ingo Blum was born in Germany in 1938. He studied anthropology and linguistics at the University of Freiburg. In 1962, he made his first trip to New Guinea. Over the next 50 years, he made numerous trips to the region, and he became one of the world's leading experts on New Guinea.

Blum's work has been published in numerous books and articles. He has also produced several films about New Guinea. In 2008, he was awarded the Free Download of Merit of the Federal Republic of Germany for his contributions to the understanding of New Guinea.

Blum died in 2019, but his legacy lives on. His work continues to inspire and inform people around the world.

Reviews

"Little Chimbu Ingo Blum is a masterpiece. It is a must-read for anyone interested in New Guinea, travel, adventure, or exploration." - The New York Times
