The symposium will be held from 10-12 June 2024 at the University of Amsterdam, Netherlands.

Topics

The symposium will cover a wide range of topics related to behaviour design modelling, including:

- Theoretical foundations of behaviour design modelling

- Methodologies for developing and evaluating behaviour design models
- Applications of behaviour design modelling in different domains, such as health, transportation, and environmental sustainability
- Policy implications of behaviour design modelling

Call for Papers

The symposium organizers are inviting researchers and practitioners to submit papers for presentation at the symposium.

Papers should be original and unpublished, and should be no more than 8 pages in length.

The deadline for submission of papers is 15 January 2024.

Registration

Registration for the symposium will open in early 2024.

The symposium fee will be €300 for academics and €400 for industry professionals.

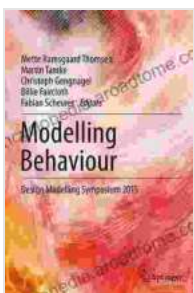

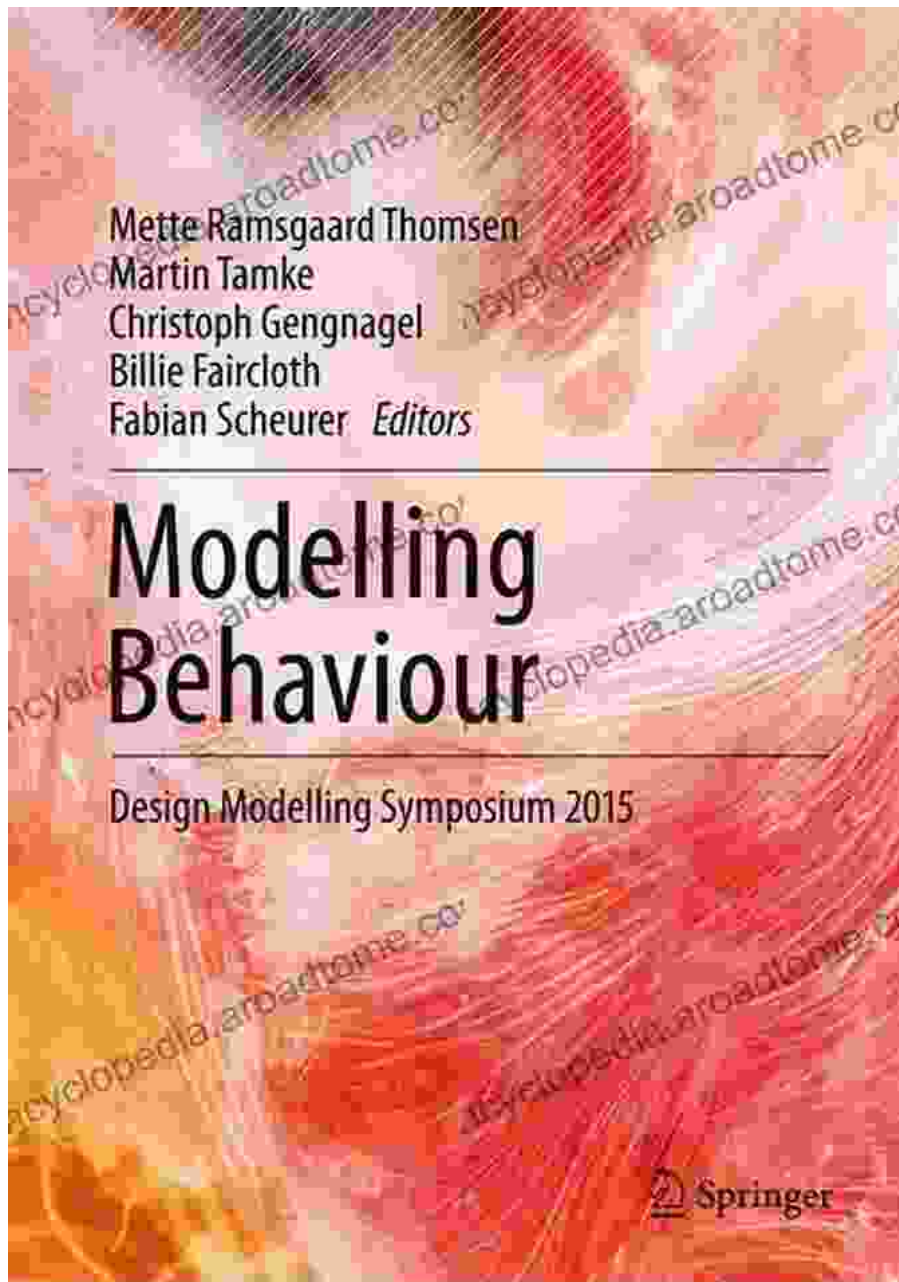

Accommodation

A block of rooms has been reserved at the Hotel NH Amsterdam Centre for symposium attendees.

To book a room, please call the hotel directly and mention the Modelling Behaviour Design Modelling Symposium 2024.

Contact

For more information, please contact the symposium organizers at info@mbdms2024.org.
