

Racism: Unmasking the Insidious Prejudice of the 21st Century

In the tapestry of human society, racism weaves a sinister thread, casting a long shadow over our collective conscience. The 21st Century Skills Library Global Perspectives: Racism delves into this pervasive issue, shedding light on its insidious nature and equipping readers with the critical thinking skills necessary to combat it.

Chapter 1: Unveiling the Masks of Racism

Racism, like a chameleon, disguises itself in myriad forms. From overt acts of violence to subtle biases, it manifests across all strata of society. This chapter exposes the different faces of racism, from individual prejudices to systemic discrimination.
