Tokyo, Japan | December 15-16, 2024

About the Conference

The Second International Conference on Soft Soil and Regular Foundations (SSR 2024) will be held in Tokyo, Japan, on December 15-16, 2024. The conference will bring together researchers, engineers, and practitioners from around the world to discuss the latest advances in the field of soft soil and regular foundations.

The conference will cover a wide range of topics, including:

- Soft soil engineering
- Regular foundations

- Ground improvement
- Numerical modeling
- Field testing
- Case studies

The conference will provide a unique opportunity to learn about the latest research and developments in the field of soft soil and regular foundations. It will also provide a platform for networking with other researchers, engineers, and practitioners from around the world.

Dates and Location

The Second International Conference on Soft Soil and Regular Foundations (SSR 2024) will be held in Tokyo, Japan, on December 15-16, 2024. The conference will be held at the Tokyo International Forum.

The Tokyo International Forum is a state-of-the-art conference center located in the heart of Tokyo. The center is easily accessible by public transportation and is within walking distance of many hotels and restaurants.

Submission of Abstracts

The deadline for submission of abstracts is April 1, 2024. Abstracts should be submitted electronically via the conference website.

Abstracts should be no more than 500 words in length and should include the following information:

- Title of the paper

- List of authors
- Affiliation of the authors
- Abstract text
- Keywords

All abstracts will be peer-reviewed. Authors of accepted abstracts will be invited to submit full papers for publication in the conference proceedings.

Registration

Registration for the Second International Conference on Soft Soil and Regular Foundations (SSR 2024) will open in June 2024. The registration fee will include access to all conference sessions, the conference proceedings, and coffee breaks.

A limited number of travel grants are available for students and early-career researchers. To apply for a travel grant, please submit a short statement of interest to the conference organizers.

Contact

For more information about the Second International Conference on Soft Soil and Regular Foundations (SSR 2024), please contact the conference organizers at:
