

Second International Workshop AlgoCloud 2024 Aarhus Denmark August 22 2024

Overview

The Second International Workshop on Algorithm-Driven Cloud Computing (AlgoCloud 2024) will be held in Aarhus, Denmark, on August 22, 2024. This workshop aims to bring together researchers and practitioners from both academia and industry to discuss the latest advances in algorithm-driven cloud computing.

AlgoCloud 2024 will feature a keynote speech by a leading expert in the field of algorithm-driven cloud computing, as well as a number of invited talks and contributed papers. The workshop will also include a panel discussion on the future of algorithm-driven cloud computing.

Topics

AlgoCloud 2024 will cover a wide range of topics related to algorithm-driven cloud computing, including:

- Scheduling algorithms for cloud computing
- Load balancing algorithms for cloud computing
- Resource allocation algorithms for cloud computing
- Pricing algorithms for cloud computing
- Machine learning algorithms for cloud computing
- Artificial intelligence algorithms for cloud computing

Important Dates

- Paper submission deadline: March 15, 2024
- Notification of paper acceptance: May 15, 2024
- Camera-ready paper submission deadline: June 15, 2024
- Workshop date: August 22, 2024

Submission Instructions

Papers should be submitted in PDF format, using the ACM SIG proceedings template. Papers should be no more than 10 pages in length, excluding references. All submissions will be peer-reviewed by the workshop program committee.

Papers should be submitted via the EasyChair submission system:
<https://easychair.org/conferences/?conf=algocloud2024>.

Registration

Registration for AlgoCloud 2024 will open in May 2024. The registration fee will be 100 euros for academic participants and 200 euros for industry participants. The registration fee includes access to all workshop sessions, as well as lunch and refreshments.
