Join us in Paris, a city renowned for its rich cultural heritage and vibrant atmosphere, and become part of a global community dedicated to shaping the future of technology. Immerse yourself in the latest ICTSS trends, explore innovative solutions, and establish valuable connections with like-minded professionals.

## Key Themes and Tracks

The 31st IFIP WG 11.11 International Conference on ICTSS 2024 will encompass a wide range of key themes and tracks, providing a comprehensive overview of the latest advancements in ICTSS:

- **Artificial Intelligence and Machine Learning:** Explore the transformative capabilities of AI and ML in various domains, including healthcare, finance, and transportation.
- **Cybersecurity and Privacy:** Delve into the evolving threats and countermeasures in cybersecurity, ensuring the protection of data and systems in the digital age.
- **Cloud Computing and Big Data:** Discover the latest trends in cloud computing and big data analytics, enabling businesses to harness the power of data for decision-making.
- **Blockchain and Distributed Ledger Technologies:** Explore the transformative potential of blockchain and DLTs in industries such as finance, supply chain management, and healthcare.

- **Internet of Things and Smart Cities:** Witness the convergence of the physical and digital worlds through the IoT and smart city technologies.
- **Digital Transformation in Healthcare:** Examine the role of ICTSS in revolutionizing healthcare delivery, improving patient outcomes, and enhancing accessibility.
- **ICTSS in Education:** Explore the transformative impact of ICTSS on education, enhancing teaching methodologies and fostering personalized learning experiences.
- **Social and Ethical Implications of ICTSS:** Examine the broader societal and ethical implications of ICTSS, addressing issues such as data privacy, algorithmic bias, and digital divide.

## Who Should Attend

The 31st IFIP WG 11.11 International Conference on ICTSS 2024 is an unmissable event for professionals from diverse backgrounds, including:

- Researchers and academics seeking to stay at the forefront of ICTSS advancements
- Industry leaders and practitioners eager to explore innovative solutions and best practices
- Policymakers and government officials shaping the future of ICTSS-related policies
- Entrepreneurs and investors seeking to identify promising opportunities in the ICTSS landscape
- Students and early-career professionals aspiring to make their mark in the field of ICTSS

## **Call for Papers**

The conference invites original and unpublished research papers that contribute to the advancement of ICTSS. Submissions should align with the conference themes and tracks. Authors are encouraged to submit high-quality papers that present novel research findings, innovative solutions, or thought-provoking perspectives on the future of ICTSS.

### Important Dates:

- Paper Submission Deadline: March 15, 2024
- Author Notification: June 15, 2024
- Camera-Ready Submission Deadline: August 15, 2024

## **Venue and Accommodation**

The 31st IFIP WG 11.11 International Conference on ICTSS 2024 will be held at the prestigious Palais des Congrès in the heart of Paris. This iconic venue offers state-of-the-art facilities and a prime location, ensuring a comfortable and memorable experience for all attendees.

A range of accommodation options are available near the conference venue, catering to different budgets and preferences. Attendees are encouraged to book their accommodation in advance to secure their desired options.

## **Registration**

Registration for the 31st IFIP WG 11.11 International Conference on ICTSS 2024 will open in March 2024. Early bird discounts will be available for

those who register before June 15, 2024. Attendees can register online through the conference website.

## Get Involved

Become part of the 31st IFIP WG 11.11 International Conference on ICTSS 2024 and contribute to shaping the future of technology. Join us in Paris for an unparalleled opportunity to connect, collaborate, and drive innovation.

- Submit a research paper
- Register as an attendee
- Become a sponsor or exhibitor
- Join the conference organizing committee
