- Gain insights into the latest trends and advancements in software reuse
- Network with leading experts and practitioners in the field
- Discover innovative solutions to your software development challenges
- Shape the future of software reuse through thought-provoking discussions

Explore the Heart of Salvador

Salvador, the capital of the state of Bahia, is a vibrant and historic city known for its rich culture, stunning beaches, and delicious cuisine. As you attend ICSR 2024, take the opportunity to explore this captivating city and immerse yourself in its unique charm.

From the historic Pelourinho district to the lively Barra neighborhood, Salvador offers a diverse range of attractions to suit every taste. Discover the city's fascinating history, marvel at its architectural wonders, and indulge in the flavors of traditional Bahian cuisine.

Experience Brazil's Warm Hospitality

Brazil is renowned for its warm hospitality and friendly people. As you participate in ICSR 2024, you will be welcomed with open arms and experience the true spirit of Brazilian culture.

Immerse yourself in the vibrant atmosphere of Salvador and connect with the local community. Enjoy live music, dance performances, and delicious food as you celebrate the power of software reuse and forge lasting friendships.

Key Dates and Information

ICSR 2024 will be held from May 12-16, 2024, at the Hotel Pestana Convento do Carmo in Salvador, Brazil.

Important dates to remember:

- Paper submission deadline: December 15, 2023
- Notification of acceptance: March 15, 2024
- Camera-ready papers due: April 15, 2024

Register Today and Secure Your Spot

Don't miss out on this exceptional opportunity to advance your knowledge of software reuse and connect with the global software engineering community. Register for ICSR 2024 today and secure your spot at this groundbreaking event.

Visit the ICSR 2024 website for more information and to register online.

We look forward to welcoming you to Salvador, Brazil, for an unforgettable experience at the 16th International Conference on Software Reuse.
