A Convergence of Expertise and Innovation

The 18th International Conference will serve as a melting pot of ideas, bringing together leading researchers, industry experts, and policymakers from a diverse spectrum of fields. Attendees will have the unique opportunity to engage with renowned thought leaders, exchange

groundbreaking research findings, and forge valuable connections that can propel innovation forward.

Unveiling the Proceedings Part III

As part of the conference proceedings, Part III will delve into the latest advancements and discoveries across various disciplines. This comprehensive volume will feature peer-reviewed papers that explore cutting-edge research in:

- Artificial intelligence and machine learning
- Blockchain and distributed ledger technologies
- Advanced materials and manufacturing
- Biotechnology and healthcare
- Energy and environmental sustainability
- Business and management innovation

A Gateway to Inspiration and Collaboration

Beyond the exchange of knowledge, the 18th International Conference is designed to foster a spirit of collaboration and innovation. Attendees will have ample opportunities to connect with like-minded individuals, explore potential partnerships, and gain insights into the latest trends shaping various industries.

Wuxi: A City on the Rise

The conference will be held in Wuxi, a dynamic city that is rapidly emerging as a global hub for innovation. Attendees will have the chance to

experience the city's vibrant culture, explore its modern architecture, and immerse themselves in its rich history.

Call to Action

Don't miss this exceptional opportunity to unlock the frontiers of innovation. Register now for the 18th International Conference in Wuxi, China, and prepare to embark on a journey that will redefine the boundaries of human ingenuity.

Important Dates

- Abstract submission deadline: March 15, 2024
- Full paper submission deadline: April 15, 2024
- Conference dates: June 11-13, 2024
