# Wish Spell

**You will need:**  
1 candle, the color corresponding to your wish  
1 piece of unlined printer paper, cut in half  
1 small item that corresponds to your wish  
1 black pen  
1 envelope  
lighter

Gather all of your supplies and go into a private room and close the door.

Set the candle on the floor and light it. Turn off the lights in the room. Sit down in front of the candle.

In the candle light write your wish on the paper and fold it in half. Draw a pentagram on the folded paper. Place the paper in the envelope. Put the small item that corresponds to your wish inside the envelope as well. Seal the envelope by taping it.

Place the envelope directly in front of the candle. Stare at the flame and chant:

*My wish is on paper,  
My wish will come true,  
As I say so shall it be.*

Pick up the envelope, hold it to your heart and say:

*I hold this envelope to my heart,  
This envelope holds my wish, my desire,  
I humbly ask Spirit to grant my wish, my desire,  
As I say so shall it be.*

Blow out the candle and turn on the lights. Leave everything where it is except for the envelope. Take the envelope outside and bury it. Place your hand over the area you buried it and quietly visualize your wish coming true. Go back inside and clean up.

## Chapter 3: Rituals and Celebrations

Celebrate the rhythms of life through rituals and celebrations. This chapter explores the significance of rituals in modern day witchcraft. Discover how to design and perform rituals for personal growth, spiritual connection, and seasonal celebrations. Learn about the sacred Wheel of the Year, honoring

the changing seasons and connecting with the natural world through ancient traditions.

#### **Chapter 4: Connecting with the Elements**

Harness the potent energy of the elements. Chapter 4 explores the deep connection between modern day white witches and the elements of nature – earth, air, fire, and water. Discover how to align with the energies of each element, harness their power for manifestation, and cultivate a harmonious

relationship with the natural world.

## **Chapter 5: Divination and Shadow Work**

Unlock the secrets of divination and embrace your shadow. Chapter 5 delves into the world of divination, empowering you with tools for self-reflection and insight. Learn various methods of divination, including tarot reading, astrology, and dream interpretation. Explore the concept of

shadow work, embracing both the light and dark aspects of your being for personal growth and transformation.
