Prepare to be Immersed in the World of Quantum

The 13th International Conference on Quantum Science and Technology (QEST 2024) is an unmissable event for anyone involved in the rapidly evolving field of quantum science and technology. From August 23-25, 2024, the conference will take place in the captivating city of Quebec City, Canada, providing a platform for researchers, industry leaders, and

policymakers to connect, exchange ideas, and drive progress in this transformative domain.

A Gateway to Cutting-Edge Research

QEST 2024 will showcase the latest advancements in quantum science and technology, with a comprehensive program featuring:

- Plenary talks by renowned experts
- Parallel sessions covering a wide range of topics, including quantum computing, quantum sensing, quantum communication, and quantum materials
- Poster presentations highlighting the most promising research
- Interactive workshops and tutorials led by industry leaders

Foster Collaborations and Drive Innovation

Beyond the exchange of knowledge, QEST 2024 provides an unparalleled opportunity for attendees to forge connections and foster collaborations that can lead to groundbreaking discoveries and technological advancements. The conference will host:

- Networking events and social gatherings
- Dedicated spaces for industry-academia partnerships
- Opportunities to meet with potential investors and funding agencies

Explore the Heart of Quantum Research in Quebec City

Quebec City, the host city of QEST 2024, is not only a captivating destination but also a thriving hub for quantum research. Attendees will

have the chance to:

- Visit world-renowned research institutions, such as the Institut quantique (IQ) and the Centre for Optics, Photonics, and Lasers (COPL)
- Engage with local startups and companies at the forefront of quantum technology
- Immerse themselves in the vibrant scientific community of Quebec City

Secure Your Spot at the Forefront of Quantum Science

Registration for QEST 2024 is now open. Early bird discounts are available until March 31, 2024. Don't miss this exceptional opportunity to be part of the global conversation shaping the future of quantum science and technology.

Visit the official conference website at <https://qest2024.org> for more information and to register.

Join Us in Quebec City for QEST 2024: Where Quantum Innovations Take Flight

We eagerly anticipate welcoming you to Quebec City for the 13th International Conference on Quantum Science and Technology (QEST 2024). Together, we will explore the frontiers of quantum science, foster collaborations, and inspire the next generation of quantum pioneers. Let us embark on this extraordinary journey together, where the future of quantum science and technology unfolds.
